PK-12 Principal

October 12, 2020

Good afternoon Halfway families. The Halfway community and Halfway Schools has recently had several positive COVID 19 cases. Due to these exposures, we have several teachers and students in quarantine and/or waiting on COVID 19 test results.

We will be attending school in level yellow on Tuesday and Wednesday this week. Our school district will use these two days to transition all of our students to a virtual setting. Starting Thursday, October 15th, we will move to level red in our plan of re-entry and we will educate our students 100% virtually. We will stay in level red until Tuesday, November 3rd, when we return to seated learning. During this time, the school will be cleaned and we will not be allowing use of our gym or multipurpose room for events or youth practices until Monday, November 2nd.

If you'd like to receive free meals from Thursday, October 15th to Monday, November 2nd, please contact the school office at your earliest convenience at 417-445-2211.

Thank you,

Lance W. Roweton
