Meet the Counselor

Hello! My name is Mrs. Randall and I am your student's School Counselor this year! This is my second year at Halfway, and I am very happy to be here. My passion is to help create a school environment where students are able to grow socially, emotionally, and academically. The services that

I offer include:

Classroom Guidance Lessons,
Individual and Group
Counseling, Responsive
Services, Career and College
Readiness, Academic Support,
and Individual Student
Planning

Welcome Back!

Welcome back to school! It has been wonderful to see everyone and get back into the school routine. Last week, I reintroduced myself to students, and we spent time reviewing counseling time expectations. This year is especially exciting for counseling because I will be in Elementary Classrooms every other week! This year, we are going to be talking about topics such as: Goal Making, Being Responsible, Emotional Regulation, Kindness, Career Exploration, and more!

You can learn something new everyday if you listen.

**September
Guidance Lessons:**
Academic Skills &
Setting/Managing Goals
