Professional Learning Communities

Schoolwide Positive Behavior Support

Response to Intervention

Other

The strategies will (mark all that apply)

- Provide opportunities for all children, including subgroups of students, to meet the challenging Missouri Learning Standards.

Description of how strategy/strategies will provide

In order to help all students meet the Missouri Learning Standards, Halfway Elementary will provide supplemental instruction in the classroom, outside of the classroom with small group and individual instruction, and before and after school tutoring. Data teams will meet to evaluate which students meet the criteria for pull-out and tutoring. Response to Intervention will be utilized to help students meet the requirements of the Missouri Learning Standards. Again, data teams will be used to analyze the criteria regarding which students are in RTI.

- Use methods and instructional strategies that strengthen the academic program in the school.

Description of how strategy/strategies will strengthen

In addition to the data tracking which happens in classrooms, students will be universally screened and progress monitored when appropriate in order to see what strategies are working and when strategies need to be changed or are no longer needed. When students are in charge of their goals and tracking their progress, we have seen great motivation and improvement. The goal will be to move students out of tutoring and interventions.

Increase the amount of learning time

- Extended school year
 Before-and/or after-school programs
 Summer program
 Other

- Help provide an enriched and accelerated curriculum

Description of how strategy will provide

Halfway Elementary will focus on development of leadership in every child, academic and personal goal-setting, social-emotional learning.

Activities that address the needs of those at risk of not meeting the Missouri Learning Standards will include (mark all that apply)

- Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the Missouri Learning Standards

Description of how strategy/strategies will address

Activities are available to all students -- all participate in leadership development and goal setting, and counseling is available to students as referred by teachers, staff members, parents, etc. Title funds are not used for counseling and mental health programs.

Activities will (mark all that apply)

Improving students' skills outside the academic subject areas

- Counseling
 School-based mental health programs
 Specialized instructional support services
 Mentoring services
 Other

Helping students prepare for and become aware of opportunities for postsecondary education and the workforce

- Career/technical education programs
 Access to coursework to earn postsecondary credit
 Advanced Placement

 Other

Implementing a schoolwide tiered model to prevent and address problem behavior, and early intervening services

Providing professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data

- Delivery of professional development services
 Instructional coach
 Teaching methods coach
 Third party contract
 Other

Professional development will be provided for all new reading and math programs to enhance instruction.

- Professional development activities that address the prioritized needs

Describe activities

In coordination with the district Professional Development Committee, high-quality professional development is provided to faculty, staff, and administration in the areas of communication arts, math, science, interventions, differentiated and individualized instruction, and technology in order to help all students meet the Missouri Learning Standards.

Recruiting and retaining effective teachers, particularly in high need subjects

Describe activities

A significant increase to the teacher salary schedule was made for the upcoming school year. We will continue to provide a welcoming, supportive environment where high-quality, highly-qualified teachers wish to be employed and stay employed. Teachers will participate in the district mentoring or buddy program and will be provided with high-quality professional development.

Assisting preschool children in the transition from early childhood education programs to local elementary school programs

Describe activities

The preschool teacher, PAT educator, and kindergarten teacher will work together to plan transition activities for students and parents of students entering kindergarten --including presentations, visits to the elementary, screenings, parent info, and a kindergarten summer school class.
